*Secret Subversion II Tang Wenming 2022-09-22 This title critically examines Mou Zongsan's philosophical system of moral metaphysics on the level of metaphysics and history philosophy, which combines Confucianism and Kantianism philosophy. Mou Zongsan (1909–1995) is one of the representatives of Modern Confucianism and an important Chinese philosopher of the twentieth century. The two-volume set looks into the problems in the moral metaphysics by Mou and his systematic subversion of Confucianism on three levels: ethics, metaphysics and historical philosophy. In this second volume the author critiques Mou's philosophical development of Confucianism on the latter two levels. The first part analyzes Mou's view on conscience as ontology and his interpretation of the heavenly principles in Confucianism, arguing that his theory in fact abolishes Confucian cosmology based on modern scientific concepts and speaks for modern humanity. The second part focuses on Mou's remolding of historical philosophy based on the concept of freedom of Kant, Hegel, and modern Western philosophy, then assesses his ideological distortions of historical and political concepts in the Confucian tradition. The title will appeal to scholars, students and philosophers interested in Chinese philosophy, Confucian ethics, Neo-Confucianism, and Comparative Philosophy.*

*Prayer Is Power* Patricia Zimmermann 2008-12 Prayer is Power serves as your guide in understanding the Word of God and how to use the passages from the Bible, which are essential in delivering powerful prayers. It provides instructions on how to effectively communicate and build a one-on-one relationship with God and how simple prayers can release God's supernatural powers to solve problems that are beyond human ability. This book has sample prayers, which you can use to unlock God's power. It also guides you on how to come under his authority to gain the power you need to heal the sick, cast out evil spirits, and to perform wonders. It guides you on how to deliver prayers more effectively and to rely on the Holy Spirit as your guide and allow him to intercede on your behalf, for God loves you and wants to answer your prayers. Patricia Zimmermann, MBA, author, suffered a great deal in the loss of her one and only child in a car accident. For twenty years she was unable to talk about her loss until she found comfort in God's presence. It wasn't until she accepted Jesus Christ in her heart and became filled with the Holy Ghost that she began to receive healing from him. Jesus began to heal the deep-seated wound in her heart so she can begin to live again. The Word of God gave her the full assurance that her daughter is safe with Jesus up in heaven. But most of all she learned that Prayer has the Power to heal.
