Praise for *Into the Void* “In a story filled with adventure, intrigue, and great quotes, there’s a lot to like in this book. Tim Lebbon dives into his very first Star Wars story with a great deal of success. He manages to spin a tale that feels like Star Wars, but also feels different from other stories that have been told before. While there is some threat of system wide destruction, the point is never pushed to being ridiculous. The characters feel believable and provoke interest. The attention to the characters never takes away from the plot. There’s also a remarkable balance between world building, plot and character development, and action. When it comes down to it, Dawn of the Jedi: Into the Void is just great storytelling.”—Roqoo Depot “A nice, compact Star Wars tale that both acts as an introduction to the Dawn of the Jedi period and a standalone story.”—Club Jade “A solidly enjoyable read . . . a nice addition to the Expanded Universe.”—Tosche Station “A good solid Star Wars adventure story with heart.”—Knights’ Archive

When the Empire threatens the galaxy's new hope, will Han, Luke, and Leia become its last chance? When the mission is to extract a high-level rebel spy from the very heart of the Empire, Leia Organa knows the best man for the job is Han Solo—something the princess and the smuggler can finally agree on. After all, for a guy who broke into an Imperial cell block and helped destroy the Death Star, the assignment sounds simple enough. But when Han locates the brash rebel agent, Scarlet Hark, she's determined to stay behind enemy lines. A pirate plans to sell a cache of stolen secrets that the Empire would destroy entire worlds to protect—including the planet where Leia is currently meeting with rebel sympathizers. Scarlet wants to track down the thief and steal the bounty herself, and Han has no choice but to go along if he's to keep everyone involved from getting themselves killed. From teeming city streets to a lethal jungle to a trap-filled alien temple, Han, Chewbacca, Leia, and their daring new comrade confront one ambush, double cross, and firestorm after another as they try to keep crucial intel out of Imperial hands. But even with the crack support of Luke Skywalker's x-wing squadron, the Alliance heroes may be hopelessly outgunned in their final battle for the highest of stakes: the power to liberate the galaxy from tyranny or ensure the Empire's reign of darkness forever. So when Mid Rim merchants offer much-needed materials for sale, Princess Leia Organa and Han Solo lead an Alliance delegation to negotiate a deal. To make his biggest score, Han's ready to take even bigger risks. But even he can't do this job solo. NEW YORK TIMES BESTSELLER Han Solo should be basking in his moment of glory. After all, the cocky smuggler and captain of the Millennium Falcon just played a key role in the daring raid that destroyed the Death Star and landed the first serious blow to the Empire in its war against the Rebel Alliance. But after losing the reward his heroics earned him, Han's got nothing to celebrate. Especially since he's deep in debt to the ruthless crime lord Jabba the Hutt. There's a bounty on Han's head—and if he can't cough up the credits, he'll surely pay with his hide. The only thing that can save him is a king's ransom. Or maybe a gangster's fortune? That's what a mysterious stranger is offering in exchange for Han's less-than-legal help with a riskier-than-usual caper. The payoff will be more than enough for Han to settle up with Jabba—and ensure he never has to haggle with the Hutts again. All he has to do is infiltrate the ultra-fortified stronghold of a Black Sun crime syndicate underboss and crack the galaxy's most notoriously impregnable safe. It sounds like a job for miracle workers . . . or madmen. So Han assembles a gallery of rogues who are a little of both—including his indispensable sidekick Chewbecca and the cunning Lando Calrissian. If anyone can dodge, deceive, and defeat heavily armed thugs, killer droids, and Imperial agents alike—and pull off the heist of the century—it's Solo's scoundrels. But will their crime really pay, or will it cost them the ultimate price? BONUS: Includes the novella Winner Lose All. Praise for Scoundrels "Rapid-fire adventure [that] adds yet another dimension of enjoyment to a rousing galactic romp."—Library Journal "Highly entertaining . . . excellent Star Wars . . . *The Force Unleashed II: Star Wars Legends Sean Williams 2011-06-28 As ruthless apprentice to Darth Vader, Starkiller was mercilessly schooled in the ways of the dark side, commanded to exterminate the last of the purged Jedi Order, and groomed for the ultimate Sith power play: assassination of the Emperor. Juno mourned Starkiller as dead...but now he is back, purged of all memories and programmed to kill. And as fate brings Juno and Starkiller closer to reuniting, with Darth Vader determined not to lose his assassin a second time, they will both have to make a stand. The prize is freedom.
