You Have Not a Leg to Stand On D.D. Mayers 2015-08-26 This book tells the story of one man ' s journey from happiness to despair and back again. At thirty-two and at the peak of health, D.D. Mayers lived in a Kenyan paradise with his beautiful wife. Then tragedy struck; an accident left him paralysed from the waist down, destined to spend the rest of his life in a wheelchair. Mayers takes the reader on an emotional yet witty and amusing tour of his life, guiding us from his childhood (and the ' pointless ' schooling he receives) through to his emergence as a young man who somehow finds himself earning money as a professional actor. One role takes him to Kenya, where we meet his wonderful wife, and we join the two for a trip through the Middle East, many years before war ravaged much of its warmth and beauty. After moving to London for a number of years, the couple return to Kenya - only for them to experience a life-changing event. The gripping storytelling throughout the book takes us from the author ' s despair and feelings of worthlessness all the way through to a final, peaceful contentment. You will laugh and you will cry - but you won ' t be able to put the book down.
